GRAND KNIGHT'S MESSAGE

Brother Knights, Families & Friends:

August was a bit slower than usual for us. That's coming to an end quickly. At our C&C in Sept. Nancy Lukenbill will receive a plaque from the BSA in honor of Fred. Let's see how many Knights can attend for Fred. It will be after the 10:30 mass. There is a picnic on the 15th for WATCH. For those of you who may not know Watch stands for {We Are The CHurch}. It would be great for as many Knights and their families to show up and join in the fellowship and games. We need to all jump in and help Greg with the Intellectual Disability's drive. Next up on the 28th we will be having our Trivia night. As we start asking for workers keep in mind that if you can't work that night you can still be of great help by fixing up a basket for the raffle. Now to finish up the month we are invited to attend a Blue Mass at Sacred Heart. The Blue mass is celebrated nationally to honor our first responders. The 4th degree will be involved.

August was a slow month for the Knights:

- The first weekend in August was the Jordan school golf outing. Although I have not heard any boasting about the outcome of our Knights team. I'm sure they had a good time.
- I think everyone had a great time at the ballgame on the 16th. Several of the St Pius folks made an appearance on the field. Including the right hand phenom MSGR. Merdian. A couple more years of throwing out the first pitch, some scout is going to offer him a minor league contract.
- Ministry Fair, Thanks for all the help that was given.

Upcoming events include:

- Sept. 8 first Coffee and Conversation of the year
- Sept. 15 WATCH picnic. We do the cooking for this event.
- Sept 28 First trivia night. We need to make this a big one.
- Sept 29th Blue Mass at Sacred Heart.

Brother Knights, our next **Officers' Meeting** will be at **6:30 pm on Sept. 9th at Farrell Hall**. Our next **Council Meeting is Aug. 12th also at Farrell Hall**. As usual, on the 12th we will have a **light meal at 6 pm** followed by our **council meeting at 7 pm**. Be sure to join us. These meetings are an opportunity for all to connect with your fellow Knights and to stay informed about everything Allouez Council is doing! I hope to see you there! Remember, let Jesus be your model & let the Holy Spirit be your guide!

Vivat Jesus!

FAITHFUL NAVIGATOR'S MESSAGE

Greetings Worthy Brother Sir Knights,

This will be a very busy month for our Assembly! First our Honor Guard will be part of the **RI Annual Labor Day Parade (September 2)** once again this year, so we ask all Honor Guard Members to try to be part of this effort to present our Order to the public. Even if you cannot walk the distance of the parade, Sir Knight Lowell Gramling will have our float available to ride in the parade. It is important that we present ourselves in strength in this event, so please plan on being there. Those Sir Knights without Regalia are encouraged to walk or ride in their Tux and Social Baldric, and of course our council members are encouraged to walk with our float as well. Lineup is on the east side of Washington Elementary School near 18th Avenue. Please arrive early prior to 9:00 AM to help set up the float, Parade begins at 9:30 AM. Also please help with tear down afterwards.....thanks to all!

The **Annual Mass and Ceremony** to honor our namesake **Father Edward J. Bader** has been set for **Sept. 8th at the St. Pius X 10:30 AM Mass**. The Father Bader Assembly Honor Guard is requested to provide an entrance & exit procession for our Mass celebrant(s). I would ask that all Sir Knights with regalia participate if at all possible, and all members not of the Honor Guard at least attend the Mass in your Tux and Social Baldric with your spouse to honor Father Bader. We will briefly commend the spirit of Father Bader after Mass from the podium. There will be coffee and donuts available after Mass for some conversation and fellowship. Please plan accordingly and join us. *We are trying to reestablish this tradition by our Assembly, please plan on attending to make this a successful effort.* Dress at 10:00 AM in the Brides Room at the front entrance.

Our Honor Guard and Assembly will participate in the **Annual National Day for the Remembrance of All Aborted Unborn Children** on **Saturday Sept. 14th, at a 9:00 AM Field Mass** to be celebrated by Msgr. Mark Merdian and assisted by Deacon Russ Swim at the Calvary Mausoleum. Includes march to the Monument dedicated to the Aborted Unborn Children of our Nation, over 60 million and growing, including prayers and song. Dress at 8:30 AM.

Our Honor Guard has also been requested to help celebrate Father James Hoogerwerf's first Mass at St. Pius X on Saturday September 28th at 10:30 AM. Father Hoogerwerf has been supported by Allouez Council throughout his seminarian education and training; **it is our honor to be included in celebration of his ordination into the priesthood.** Dress at 10:00 AM in Brides Room at the front entrance to the church.

The last event that our Honor Guard and Assembly is asked to participate in this month, is the **Blue Mass Sponsored by Sacred Heart RI on Sunday Sept. 29th** at their regularly scheduled **9:00 AM Mass to Honor all Police Officers and First Responders** servicing or fallen. Honor Guard to dress at 8:30 AM in the Church Office area. *Please help us Honor these brave men and women of our Illinois Quad City communities.*

Our next meeting will be the first Thursday of October, the 3rd. I have arranged for dinner and meeting space at The Cellar in Geneseo, similar to last year. We will be ordering off of the menu with separate checks paid to the establishment. Last year we had a great turn out for this dining experience with many requesting that we return to this fine eating establishment. I will need minimum of (25) attendees to guarantee meeting space at no cost to our Assembly, so I ask that you return your RSVP to me as soon as you can commit to attending. Once again I encourage our brethren from Geneseo to join us. Don't miss the opportunity to be involved with the governance of your Assembly.

Have a safe and blessed September, thanks in advance for all of your efforts this coming month. Thanks to all for being Knights of Columbus!!! You have been called for service to our Lord and His Church, He is counting on us!!!

Vivat Jesus!!!

DEACON'S QUESTION BOX

[See the Abstract Archives for a list of past questions.](#)
Why Did the Jewish Leaders Say to Pilate 'They Could Not Execute Jesus'?

This question was asked several months ago. The Bible is silent on this and clearly reports stonings occurred before and after Jesus' Crucifixion. In

Deuteronomy we find a list of crimes which carry stoning as the punishment. So this question took some research and some consideration in order to bring to you a probable reason. Please note this is conjecture on my part based on research and it is not Church doctrine.

Rome often allowed a degree of latitude on the governance of local regions like Judea. In order to make sure people remembered who ruled whom, certain serious matters like capital punishment were reserved to the Romans. In practice, stonings continued and were ignored by Roman officials. These were largely outside Jewish judicial trials, were not highly public figures, and were usually spontaneous like the woman caught in adultery.

St. Stephen would be a case in point. While his condemnation came at the hands of the Sanhedrin, he was not a well-known person. There was little risk of public outcry and they could make the case that the crowd spontaneously stoned Stephen because of his speech.

Jesus was a well-known figure even to the Romans. Stoning Jesus created the very good possibility that there would be a public uprising by those who followed Him. This would have caused a violent response by Pilate. By taking Jesus to Pilate, Jewish leadership was off the hook with the people and the risks of a public uprising were minimized.

There is one other consideration to be made. In Deuteronomy, executing someone and hanging the body on a tree indicated the dead man was under God's curse. A devout Jew would have easily made the connection between the cross and the tree of Deuteronomy. The Jewish leaders were sending a message to the Jews. Jesus is not only condemned for 'heresy' but cursed as well. This would also tend to minimize the possibility of a public uprising.

It appears to me that the Jewish leadership was acting less as religious leaders and more as political leaders trying to stem the growth in numbers of Jesus' followers and, at the same time, keep the peace. Keeping the peace kept Pilate at bay and they kept what power the Roman governor was allowing them to have.

And so we read in John 11 after the raising of Lazarus from the dead:

The chief priests and the Pharisees convened the Sanhedrin and said, "What are we going to do? This man is performing many signs. If we leave him alone, all will believe in him, and the Romans will come and take away both our land and our nation." But one of them, Caiaphas, who was high priest that year, said to them, "You know nothing, nor do you consider that it is better for you that one man should die instead of the people, so that the whole nation may not perish."

Feel free to drop me a question for this column. Questions may be dropped off on the head table at a Council Meeting or sent via email to Deacon Russ Swim, Assistant Chaplain, rpswim@mchsi.com, phone 786-3097.

PRO-LIFE MESSAGE

Radical anti-life governments and organizations around the world recently announced that \$436 million has been pledged to keep the abortion mills running and continue the flow of poisonous contraceptives into Africa and elsewhere around the world, to replace U.S. Tax dollars provided by the last administration.

Funds from this wretched anti-life program are flowing directly to organizations that commit acts of evil every day, like International Planned Parenthood Federation and Marie Stopes International.

This assault on the sanctity of life is being led by the government of the Netherlands in response to President Donald Trump's commitment to stop U.S. taxpayer money going to pro-abortion groups overseas and here at home. His ban on abortion funding here at home, has Planned Parenthood removing itself from hundreds of millions of Federal taxpayer's dollars. Even Pro-abortion Illinois Governor J.B. Pritzker says the State will not use federal "family planning" funds as long as the Trump Administration prohibits "women's health clinics" from referring patients for abortions; hardly family planning! Taking Tax Payer money away from the abortion industry, saves the lives of little human babies. Something that the majority of taxpayers favor, and our Lord holds dear to his heart as well.

One of the big funders of this population control assault on Africa and the world is the Bill and Melinda Gates Foundation. Melinda Gates — *who claims to be "Catholic" while promoting moral evils against Church teaching* — openly admitted that she wants to "see the birth rate decline" in developing nations during a recent interview with David Letterman. There is no population explosion and never was...a fabricated lie propagated by Satan and his population control minions.

Gates also admitted that she has no problem pushing these dangerous drugs on poor women and having them use these drugs and devices "**covertly without their husband knowing it.**" *And what happens when the serious side effects kick in and no one knows the reason why?* These women can't be properly treated and are left in tremendous pain ... or worse!

This is the true nature of the population control agenda: **Destroy women's health so they can't conceive and kill their babies through abortion when the contraception fails. This is not what the women of Africa or America or anywhere need!**

Population control spending in Africa — on abortion, contraception, and immoral sex education — **surpasses spending on education, health, water supply and sanitation, government and civil society, and other social issues.**

More money is being spent on keeping African women from having children and on killing their babies in the womb than on educating them to have a brighter future.

The population control radicals — with the help of multi-billionaires like Bill and Melinda Gates and George Soros — have used their influence to spread the lie that African women will never get out of poverty unless they use dangerous contraceptives. All they've done is turn large poor families into small

poor families, and killing many of Gods created children in the evil process.

ID DRIVE

Brother Knights,

The Annual Intellectual Disabilities Drive (Tootsie Roll Drive) will be conducted Sep 20-22 this year. This is our largest annual fundraising event that serves local agencies and groups like SPEC, ARC, Children's Therapy Center, Skip-A-Long, Black Hawk Area Special Education and others. While the agencies provide much of the person-power for the drive, we still need a number (~ 30) Knights to help collect at the stores and at our churches. Please prayerfully consider if you can take a two-hour shift at a store or if you can help before and after your normal Saturday or Sunday Mass that weekend and let me know. George McDoniel (my able Deputy) and I need Knights for 2-hr shifts at the liquor doors at both the Hy-Vee Rock Island and Hy-Vee on 7th St in Moline from 10 AM to 8 PM both Friday and Saturday. I also need them at the 7-11 on 38th St and 18th Ave on Friday from 11AM-5 PM and on Saturday from 6 AM-8AM and 6PM-8PM. And of course we need you at the doors for the Masses at all 3 Rock Island parishes on Saturday and Sunday. I will have a sign-up at the Aug and Sep Council Meetings or you can contact me at 309-207-0577 or vaschneiders@earthlink.net.

Thanks, Greg Schneider

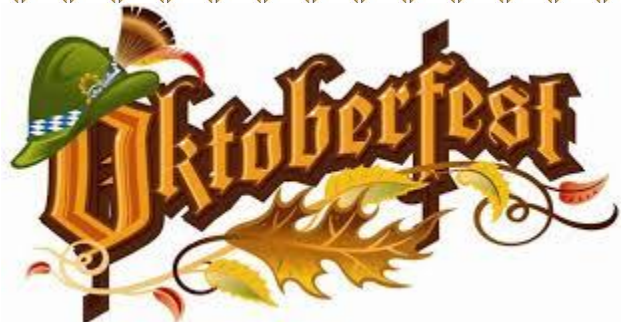

"SAVE THE DATE"

The Fall Parish Blood Drive is scheduled for Monday, Oct. 14th at Farrell Hall from 2 - 6.

The last day to "donate elsewhere is August 19th. "Our goal remains:"100 units or more in memory of Fred Luckenbill our Knights of Columbus Church & community volunteer. Let's get this done for Fred! GO RED!!!

VOCATION RAFFLE

Very happy to report Raffle Books are coming in. Have a least 5 or 6 from folks who never replied before. Don't hesitate to send in a partial book if a full book is not in your budget. Since I have a grandson entering Seminary this fall, I am experiencing how much effort our Peoria Diocese is putting into promoting religious formation. So, thank you to those who have already donated and to future donors. With your help we can out pace last year's donations. Jim Wieland

THE CONNECTION BETWEEN LONGEVITY AND PURPOSE IN LIFE

A recent study has linked a strong sense of purpose with a lower risk of all-cause mortality after age 50. The study followed about 7,000 adults over the age of 50. Researchers assigned life-purpose scores based on participants' responses and followed up with them five years later. They found that participants who had the lowest life-purpose scores were twice as likely to have died than those with the highest scores.¹

There continues to be a growing body of research to support the impact of purpose on mental and physical health and how it can lead to longer life expectancy.²

Finding purpose leads to a longer life

There is evidence to suggest that having a strong sense of purpose can impact health and longevity for the long haul.³

Finding your sense of purpose could come through career, faith, family, community, or more likely, a combination of these.

Components of purpose

According to Richard Leider, "the first step toward unlocking your purpose is to mine your life story for major threads and themes that reveal your lifelong gifts, passions, and values."³

Then, by examining your approach to the following:

Having (Outer Life) The dimension of your external experience and activity—how effectively you relate to the "having" choices in your life.

Doing (Inner Life) The dimension of your internal experience and inner activity—how effectively you relate to the "doing" choices in your life.

Being (Spiritual Life) The dimension of your invisible experience and spiritual activity—how effectively you relate to the "being" choices in your life.³

Shared purpose in times of weakness

No one gets through life unchallenged or undefeated, at least in some way. When you are not your strongest self, shared purpose with those who share your values can help you through and out of times of stress, personal loss, or a loss of your sense of purpose.

...and in times of strength

You have probably heard it before, perhaps you have even said something like: "there are few things more rewarding than helping someone in need." In helping others, you not only feel better about your purpose in life, but you may have helped them reconnect with their own sense of purpose.

Doctors know there is a connection

No one really knows for sure how spirituality is related to health. However, it seems the body, mind, and spirit are connected. The health of any one of these elements seems to affect the others.⁴

Path to improved health. Identify the things in your life that give you a sense of inner peace, comfort, strength, love, and connection. Set aside time every day to do the things that help you spiritually. These may include doing community service or volunteer work, praying, meditating, singing devotional songs, or attending religious services.⁴

Knights of Columbus know, too

As Knights, we have experienced the benefits of fraternity, sharing, giving and helping. Join me in continuing our tradition by reaching out to those in need, and reaching out to us when you are in need of purpose. ♦
