## **Asst Chaplain Message:**

Why was Jesus crucified and not stoned to death?

Based on Dcn's research. Stoning was not controlled by the Romans. Hanging on cross indicated He was cursed. Perhaps to minimize any protests.

## **Treasurer Report:**

Little activity in July. \$41.45 income      \$5002.34 spent, mostly closing out 2018-19 accounts.

Transferring \$5,000 from Money Market account into checking
