GRAND KNIGHT'S MESSAGE

Brother Knights, Families & Friends:

Sorry for the tardiness of my letter to the council, but there was a lot going on in September and I wanted wait to report on them. First let me say the battle for a liquor license is over. We finally qualified for our first Lic. From here on out it should be smooth sailing. It got to be a little frustrating when we had to convince a federal IRS employee that we did indeed operate in the state of Illinois and not in the state of Chicago!!

I would like to thank the setup crew for the Mass for the unborn. A special thanks to the Olson family. Without who's help we would still be trying to figure out how the tent goes together. I would like to see a real push for more attendees next year. Next a very big thank you to Greg Schneider for his leadership and commitment to the Intellectual Disability collections. Although we do not have the final accounting in yet, it looks like we might come up a little short of our goal. No matter how hard we try we can't control what people put in the collection box. Greg and I will be discussing the possibility of a second round of collections. Thanks to all the Knights who gave of their time for this go around. And last, but not least, was our Trivia night. Thanks to Tim S., Kevin H, Dave S, Lance J, Rick C, Stanly and finely James Britton and Family. Along with the guest and sponsors who made this a successful night. We did not meet the goal of 30 tables but none the less made a good amount of money. Little work great return. Start planning for our next one 4/04/2020.

Finally, in closing I would like to thank all those who helped with the 5th Sunday Care Link collections and 5th Sunday Rosary.

I look forward to seeing everyone at our next meeting for a big announcement. Come and find out the details. Upcoming events include:

- Sept. 30th 177 concert at 7pm St. Pius
- Oct.5th Octoberfest Food, beer, games and music. Adults only.
- Oct.13th our annual Columbus Day awards banquet. Plan on attending with your spouse at the Holiday Inn Rock Island. Please register for dinner.
- Oct. 14th Blood draw
- Nov.10th Bags Tournament more info to follow.

Brother Knights, our next **Officers' Meeting** will be at **6:30 pm on Oct 7th at Farrell Hall**. Our next **Council Meeting is Oct.10th., also at Farrell Hall**. As usual, on the 10th we will have a **light meal at 6 pm** followed by our **council meeting at 7 pm**. Be sure to join us. These meetings are an opportunity for all to connect with your fellow Knights and to stay informed about everything Allouez Council is doing! I hope to see you there!

Remember, let Jesus be your model and let the Holy Spirit be your guide!

Vivat Jesus! *Chuck Gibbs* Chuck Gibbs, GK

FAITHFUL NAVIGATOR'S MESSAGE

Greetings Worthy Brother Sir Knights,

Well, September was certainly a busy month as I suggested that it would be in last month's message. We had a great turn out for the **Rock Island's Annual Labor Day Parade** with (18) Sir Knights in regalia and one Third Degree Greg Schneider helping our public presence. Thanks once again to Sir Knight Lowell Gramling for his early arrival and set up of our "trailer float" with Flags and banners, and thanks to all who helped with set-up and tear down after the parade.

Our resurrected **Father Bader Mass** was attended by a total of (20) Sir Knights in Regalia, and (2) in Tuxedos with (3) Sir Knights celebrating the Mass in Vestments for a total of (25) Sir Knights total. I'm hopeful that we will convince more Fourth Degree Knights to attend next year and help us honor our namesake's priesthood. This tradition for our Assembly is an honorable effort. A Mass has been reserved for next September's Father Bader Mass. Thanks go out to our Allouez Brother Knights for serving Coffee & Donuts for coffee and conversation. Our late Sir Knight Fred Lukenbill was honored at this session for his work with the Boy Scouts, with a plaque being presented to wife Nancy and family.

In our commemoration of the 60-65 million babies aborted in our nation since 1973 Roe v. Wade at the **Annual National Day for the Remembrance of All Aborted Unborn Children** was attended by approximately (45) people total, with (9) Sir Knights in Regalia, (2) Sir Knights in Msgr. Merdian and Deacon Swim celebrating a field Mass at Calvary Mausoleum. I think I counted (3) Third Degree Brother Knights in attendance. Thanks to all for attending, hopefully our Brother Knights from our Councils will someday understand why we need to provide reparations for this terrible evil we have allowed in our nation for (46) years now. We used to get thousands of people together to protest the construction of the Planned Parenthood Abortion Clinic in Bettendorf.....have we gotten that used to allowing evil to exist without prayer of reparation or protest?? Do we even care anymore?

Brother

This message is being written prior to the last two events that we will provide an Honor Guard for.....**Father James Hoogerwerf's First Mass at St. Pius X** on the 28th and the **Blue Mass at Sacred Heart RI** on the 29th. We congratulate Father Woogerwerf for his Ordination into the Priesthood and will pray for his mission as well.

Our **next meeting** will be on the **First Thursday of Oct. the 3rd at The Cellar in Geneseo** with Dinner at 6:00 PM and the meeting to follow at 7:00 PM. I encourage any Sir Knights that can be present by 5:30 PM to do so to facilitate ordering of dinner off of the menu. Your payment and gratuity will be made directly to establishment. I need to have a meal count to them by early October to facilitate room and seating, so hopefully those who don't received their Abstract via electronic copy will receive their printed copy by mail earlier than the September issue was mailed due to a snafu of envelope ordering. Send me an email or phone call as soon as you know that you will attend, I have (21) meals to date....

On **Oct. 20th Sacred Heart Parish of Moline** will be celebrating their 100th year as a Parish and plan for a short Parade, Mass and celebration. More information will be forthcoming, but they have requested a Fourth Degree Honor Guard, so plan accordingly. You will be called via the Co-Commanders calling list with times accordingly.

Have a safe and blessed October, thanks in advance for all of your efforts this coming month. Thanks to all for being Knights of Columbus!!! You have been called for service to our Lord and His Church, He is counting on you!!!

Vivat Jesus!!!

We pray, O God, that You look with pity on Your servants who suffer. Ease their pain & comfort their loneliness. Give them the grace to bear this cross patiently with You in Christian reparation. We ask this through Your Son, Jesus Christ, Our Lord.

where we stop is where evolutionists say that evolution is proof that God does not exist and, as a result, an immortal soul does not exist.

Feel free to drop me a question for this column. Questions may be dropped off on the head table at a Council Meeting or sent via email to Deacon Russ Swim, Assistant Chaplain, rpswim@mchsi.com, phone 786-3097.

PRO-LIFE MESSAGE

Most pro-lifers have a vague feeling that **Margaret Sanger**, the founder of the American Birth Control League (**later Planned Parenthood**), and deemed the *Father of Modern Society*, is somehow “bad,” but they really have no idea how bad. The malignant influence of Sanger and similar thinkers not only has ruined the West to the point that it is dying, (not replacing ourselves) but seems Hell-bent on corrupting the rest of the world as well.

Sanger associated with racists and anti-Semites, people who despised everyone who was not a Nordic god or goddess, and those who demanded coercive eugenics programs to eliminate “lesser” humans. Who amongst us could be considered “lesser” than the elites? The whole bunch, of course, participated in continuous vicious attacks on the Catholic Church.

Margaret Sanger’s journal *The Birth Control Review* written back in the 1930’s was primarily devoted to the legalization and spread of voluntary birth control. Today, even 75% of Catholics believe in and use contraceptives. However, the main theme running through *The Birth Control Review* was eugenics, thus the masthead “Birth Control: To Create a Race of Thoroughbreds.”

The pseudo-science of eugenics was taken very seriously in the first half of the twentieth century and was taught in hundreds of colleges and universities using scores of textbooks written by distinguished scholars. *The Birth Control Review* frequently highlighted the mission of its parent organization: “The American Birth Control League. *Its Aim*: To promote eugenic birth selection throughout the United States so that there may be more well-born and fewer ill-born children — a stronger, healthier and more intelligent race.” Very similar to the Nazi goal of a Super race. In fact Sanger and Hitler communicated regularly. Adolf Hitler avidly read American eugenics journals and developed his ideas of an Aryan “master race” from their writers, and legitimized his policies based on how the black Americans were treated in the South.

Margaret Sanger neatly summarized the intimate relationship between the eugenics and birth control movements: “Before eugenicists and others who are laboring for racial betterment can succeed, they must first clear the way for Birth Control. Like the advocates of Birth Control, the eugenicists, for instance, are seeking to assist the race toward the elimination of the unfit. ... Birth control of itself, by freeing the reproductive instinct from its present chains, will make a better race ... Eugenics without birth control seems to us a house built upon the sands. It is at the mercy of the rising stream of the unfit”.

DEACON’S QUESTION BOX

[See the Abstract Archives for a list of past questions.](#)

Can a Catholic Believe in Evolution?

The simple answer is yes ... but to a point. Where that point exists needs some further discussion.

God created man, gave him life, faith, and reason. Then God placed creation under the stewardship of mankind. Man is innately curious; he is constantly asking the ‘why’ and ‘how’ of things he observes around him. By the seventeenth century, a standard process called the Scientific Method was being used to construct the answers.

Simplistically, the method is based on observation, theory, predictions from that theory, and observations to validate the predictions. Note, it is heavily focused on observation in constructing the theory and in validating the predictions. It works well with things we can observe. It breaks down on ‘not’ theories such as God cannot exist.

The Church teaches us, “Though faith is above reason, there can never be any real discrepancy between faith and reason. Since the same God who reveals mysteries and infuses faith has bestowed the light of reason on the human mind, God cannot deny himself, nor can truth ever contradict truth.” [Catechism #159]

The fact that we have an immortal soul destined for immortality is a divinely revealed truth. As Catholics, we are obliged to accept this as an article of faith. So we can believe evolution is a process created by and used by God. There is a significant body of evidence supporting its existence. The point

Of course, then as now, if the lowly do not immediately embrace the Utopian plans of the elite, they must be whipped into line by greater and greater degrees of coercive pressure. Sanger herself said, "Possibly drastic and Spartan methods may be forced upon society if it continues complacently to encourage the chance and chaotic breeding that has resulted from our stupidly cruel sentimentalism. She also said, "To meet this problem [of dysgenics] as a great scientist has recently pointed out, we need not more of the fit, but fewer of the unfit. The propagation of the degenerate, the imbecile, the feeble-minded, should be prevented." She was also against the Jewish people existing and despised Catholic teaching therefore Knights of Columbus policies as well. The most common themes of Margaret Sanger's *Birth Control Review* (BCR) were eugenics and contraception, with hatred of the Catholic Church running a close third. Planned Parenthood's loathing of the Catholic Church is nearly a century old, and springs mostly from its realization that the Church is its primary opponent. As one editorial in *The Birth Control Review* revealed, "Our experience of the last ten years of constant fighting has been that of all the reactionary groups in the country the Roman Catholic Church is the most politically pernicious and menacing to any progressive movement."

The anti-Catholics who wrote for *The Birth Control Review* perceived the Catholic Church as the root of all their troubles, and feared a Papist conspiracy lurking around every corner. They were every bit as paranoid then as the "pro-choicers" are now. One of the worst afflictions of the Church over the past century is failed priests who soothed their own guilty consciences by attacking the Church. Former priest L.H. Lehmann wrote articles that are almost identical to those that appear in Catholics for [a Free] Choice literature today.

The Culture of Death thinks that "separation of Church and state" really means "Where the state advances, the Church must retreat." And so, we have constant efforts by pro-abortion groups to force Catholic hospitals and doctors to perform abortions and sterilizations and distribute contraceptives. What seems surreal to me, that it is the Jewish Caucus and a Jewish Governor provoking abortion and the elimination of the unborn in our State of Illinois today.

Although the editors of *The Birth Control Review* preferred articles submitted by dissenting "Catholics," they were "kind" enough to occasionally allow authentic Catholic writers to submit opinion pieces. Seen from a vantage point nearly a century later, these articles are eerily prophetic. For example, Father Fulton Sheen commented on the Federal Council of Churches capitulation on birth control, writing, "Since a week ago last Saturday we can no longer expect them to defend the law of God. These sects will work out the very logic of their ways and in fifty or one hundred years there will be only the Church and paganism. We will be left to fight the battle alone — and we will."

Bishop Fulton Sheen was absolutely correct. Since 1960, the membership of the Roman Catholic Church in the United States has risen 43%,

and the memberships of all pro-life churches has increased by 38%. Meanwhile, the combined membership rolls of pro-abortion churches in the United States have plunged 34%. Most interestingly, those timid and lukewarm churches that have proclaimed that they are "neutral" on abortion have lost 81% of their members since 1960.

VOCATION RAFFLE REPORT

Another big THANK YOU to all who responded to appeal for vocation support. Tickets are coming in but were still a little short of last year's returns.

We would really like to supersede last year's returns for such a great cause. So, dig around for that letter I sent and buy or sell a few tickets and send them in.

Thanks Again, Jim Wieland

"HONOR TO MARCH AS ESCORT WITH NOTED CARDINAL"

Speaking in behalf of Allouez council, Knights of Columbus, William H. Leithner, grand knight paid signal tribute to Cardinal Mercier, He said:

Members of Allouez council consider it an honor that may never be their's again to have participated this afternoon in the official welcome extended to the man who has won the love and admiration of the whole world.

"As we glimpsed this wonderful personage when he stepped from the train this afternoon, the greatness of his strength and character was indelibly impressed on the minds of everyone. And then when he spoke, the words became imbedded in our hearts, never to be forgotten.

"Looking at him on the station platform, where he towered above the tallest, one could not but see him as the father of his flock. It was an inspiration to gaze upon him who had by the very might of his pen and spirit made the highest officers of the imperial German army cringe."

THANK YOU TO COUNCIL FOR ID DRIVE EFFORTS

Brother Knights,

Thank you for your tremendous efforts during the annual Intellectual Disabilities Drive this past weekend. The agencies that serve our sisters and brothers with intellectual disabilities are immensely grateful for your time and energy to raise critical funds to enable their programs. While many of you helped, I would like to particularly mention my able deputy George McDoniel and his wife Margaret, who really carried the load on Friday and provided great help on Saturday as well. Some of you were truly amazing doing 2 shifts at the stores and a Mass collection. And because you were there, our community responded generously as they always do.

I will report the totals at the next Council meeting as some donations are still coming in. But please be assured of my heartfelt thanks. We will need you again next September.

Oh, and we still have Tootise Rolls left if you want some for Halloween or yourself. They are \$5 for a box of 50 or \$25 for a case of 300.

Vivat Jesus! Greg Schneider

CREATING YOUR OWN PENSION WITH A FIXED-RATE DEFERRED ANNUITY

A balanced retirement portfolio should have guaranteed options to provide a minimum income stream to cover the fixed expenses of life. An annuity can work like a pension: you pay in during your working life and when you retire you receive a monthly payment you cannot outlive.

Guaranteed principal; guaranteed growth

With a Knights of Columbus fixed-rate deferred annuity, your principal is guaranteed safe, and the growth rate is guaranteed, as well. If structured properly, the funds you put into an annuity may grow tax-deferred.

Lump sum or a series of payments

With a Knights of Columbus fixed-rate deferred annuity, you have the option of making a series of payments to fund your annuity, or you can make one lump sum payment. It is simply a matter of which payment option works best for you.

Building wealth beyond your needs

With a Knights of Columbus annuity, your beneficiary(ies) will receive the remaining amount of money in the contract when you pass, with no surrender charge incurred, and in some cases, they may be able to assume ownership of the annuity without incurring immediate tax liability.

“Self-insure” if you are “uninsurable”

An annuity is a contract; you do not need to meet any health qualifications to enter into the contract. Depending on your age and circumstances, an annuity may be a good fit when planning for long-term care or other likely health related expenses not insurable another way.

Planning for the unexpected

If you are worried about having hard-earned savings locked in an annuity, there are ways to access funds beyond the planned income payments.

Beginning with year two, up to 10 percent of the value of a Knights of Columbus annuity may be withdrawn once a year without surrender charges.*

There is also a Medical Withdrawal Option, which allows an annuitant to withdraw some or all of the Accumulation Value of their annuity for a qualified medical condition, such as a heart attack, among many others.

If you are considering an annuity as a piece of your portfolio, please contact me to assist you in evaluating your options and putting it in place. ♦

¹<https://money.usnews.com/money/retirement/baby-boomers/articles/2018-07-25/8-myths-about-annuities-in-retirement>

* as long as a minimum value remains in the annuity. Withdrawals prior to age 59 ½ may be subject to IRS penalty.
