GRAND KNIGHT'S MESSAGE

Brother Knights, Families & Friends

August showed that when we put our minds to it, we can come up with some fantastic remedies to the new challenges we face. Thanks to the leadership of some great Knights, Lance J., Andy O., & Stanly T. They put a great team of Knights together to pull off the Great **Drive by Fish Fry**. We received many great compliments on the food & not too many complaints about the hour wait. 15 minutes before we opened, we had a line that stretched all the way out to 24th Ave. Thanks to everyone who participated. Now that we had such a success with that project, can anyone say Burgers & Brats. Yes, we can. After the financial success of the drive by we are going to follow up with the drive in. Do not know about you but the old drive in A&W Root Beer brings back some rather good memories. That is if you our old enough. So, stay tuned for a call for your help on September 26th.

Be sure to attend the 10:30 mass on September 6th. St Pious will be receiving the Silver Rose as it continues its journey from Canada to Mexico. The Silver Rose is an annual event for the Knights, parishioners, & community members to pray for respect for life, for the spiritual renewal of nations, & for the advancement of the message of our lady of Guadalupe. There will be a rosary following the mass.

Now for some tougher news. Mass for the unborn, Italian dinner for our confirmation candidates, awards banquet for the police officer & fireman of the year, & finally as if that is not enough our Columbus Day banquet are all postponed until further notice. All do to the restrictions we have because of the up tic in COVID 19.

Upcoming events include:

- **Sept. 6th Silver Rose**
- **Sept. 26th Drive in Hamburgers & Brats.**

Brother Knights, our next **Officers' Meeting** will be at **6:30 pm on Tues., Sept. 8th** at Farrell Hall. Our next **Council Meeting** is **Sept 10th** also at Farrell Hall. As usual, on the 10th we will have a **light meal at 6 pm** followed by our **council meeting at 7 pm**. Be sure to join us. These meetings are an opportunity for all to connect with your fellow Knights & to stay informed about everything Allouez Council is doing! I hope to see you there! Remember, let Jesus be your model & let the Holy Spirit be your guide!

Vivat Jesus! *Chuck Gibbs* Chuck Gibbs

Deacon has always been there for us to answer our questions, now it is our time to answer a question for him. Will you send a card and/or notes of encouragement to Deacon Russ as he recovers from a stroke? **Hopefully, he will be home by the September 11, so please mail accordingly.**

PRO-LIFE MESSAGE

Do you know why it can be so hard to learn the truth about human life issues? Because the culture of

death works from the top down. They take control of the Supreme Court, Political Parties, the media, medical organizations, & any other authority they can get their hands on. Their goal is to convince you that you are all alone in the fight for life. We are not alone!

Over the past decade one political party has been careening towards the radical left, occupied these days by an intolerant cabal of ideological extremists whose main concerns include the unrestricted right to choose an abortion, whether toddlers are being sufficiently affirmed in their "transgender" identity, & how to expunge every person with the slightest conservative leaning from any position of power or prominence. As if we needed any further proof of this party's extremism, we now have a woman nominated for Vice President who believes Catholics are, by definition, unfit to be judges. Expletively if you are a Knight of Columbus, you shouldn't be allowed to be in Government at all.

In one of the most troubling episodes in recent politics, in 2018 this Senator grilled a Catholic district judicial nominee in Nebraska on his membership in the Knights of Columbus. In written questions, she asked Brian Buescher whether he was aware that the Knights "opposed a women's right to choose" & "opposed marriage equality" when he joined the group. One of her same party colleagues went even further, asking Buescher whether he would quit the Knights – to which millions of Catholic men belong – "to avoid any appearance of bias."

This party has made it clear that this administration will not merely be an *ally* to the abortion industry, but will do everything possible to *promote* abortion & to hurt the pro-life cause, up to & including using law enforcement to harass & even jail pro-life activists. It's no surprise, then, that Planned Parenthood gushed about the choice as VP in a statement last week. "Throughout her career, she has been a steadfast champion for reproductive rights & health care," Planned Parenthood said. "With this selection, it has been made clear that he is deeply committed to not only protecting reproductive rights, but also *advancing & expanding them.*"

"Advancing & expanding." Perhaps Planned Parenthood was thinking of her plan to pass legislation that would require pro-life states to *ask permission* of the federal government before enforcing new pro-life laws. Or perhaps they were thinking of the California bill she sponsored that required pro-life pregnancy centers in the state to give their clients information about (in other words, to advertise) free or low-cost abortions. (The Supreme Court later struck down that law.)

Of course, abortion is hardly the only moral issue on which this ticket is worlds away from the truths taught by the Catholic Church. Both for instance, have officiated at same-sex "weddings." As California Attorney General, she simply refused to do her job & defend the law – Proposition 8 – that banned same-sex "marriage." Last year, during the Kavanaugh hearings at the Supreme Court, she called *Obergefell* – the activist decision legalizing same-sex "marriage" – "one of the great moments in the history of the Supreme Court." Name a radical progressive position on just about any issue, & it's

almost certain that they support it. This Debate needs Catholic voices.

This ticket & their allies would like to see conservatives of any stripe pushed to the margins of society. Precisely for this reason we need, more than ever, Catholics, believing Christians, & other people of good will who are willing to forcefully assert their right to live their beliefs, & to defend them in the public square. The battle lines are clearly established. The culture of death is “rewriting” the human story, successfully teaching a new vocabulary & grammar. A false idea of freedom as the capacity to do whatever one wants, rather than to do what is right, is being cemented into the public mind & is being imposed by coercive forces & ideologues. If unchallenged, this new worldview will inevitably undermine all structures of society.

If Catholics fail to enter the public debate, leaving these realities unchallenged, what happens? The upcoming national elections are a vital component in this story. Will this society “vote” for a platform that seeks to further advance nefarious anti-life & anti-family ideologies, or will it have the courage to stand against the extremely progressive political tide, defending truth about the inviolable dignity of human life, natural marriage, family life, human sexuality, & religious freedom?

This ticket appears to believe that a believing Catholic cannot be impartial in political matters, & is therefore disqualified from public office. Of course, no one is “impartial” in these matters. We all approach politics with certain *a priori* principles. The reason we have the political process, & protections for free speech & religious liberty, is in order to create the conditions in which we can evaluate whose principles are *true*, & whose

principles would better support the common good. In addressing the wider culture & society, Catholicism is a voice that makes genuinely public arguments, deploying a vocabulary of universal moral truths, truths that are rooted in reason. Through this vocabulary it forms the faithful in truth, calling every disciple to bear witness to this truth in their daily lives, households, workplaces, associations, cultural activities, & yes, also in their political lives.

This party in question believes that the unborn child is not a person & does not possess the right to life. This is sheer bigotry, unsupported by science or reason. And yet, they believe a Catholic man should not become a judge, because he belongs to an organization, our Fraternal Order, the Knights of Columbus, which defends the right to life of all!

We have every right to vigorously oppose this bigotry, & to enshrine the truth in law. The culture of death is a cancer that if left to its own evil intent will consume not only itself, but us with it. I am very much concerned by what I am seeing & how our families & human life will suffer even more so if we do not defeat the culture of death & expose its nefarious vocabulary & grammar. It will not only be the baby in the womb, the sick & elderly, the poor, & the disabled that are endangered, but every person’s life will be threatened by this insidious disease. As citizens, believing Catholics, & pro-life & pro-family activists, it is crucial that we educate ourselves & others on the details of the positions of the various candidates, recognize the high stakes, & vigorously & unapologetically expose & oppose the extremism of those politicians who oppose the truth on life, family, faith, & freedom.

Jack Swan, Pro-Life Director

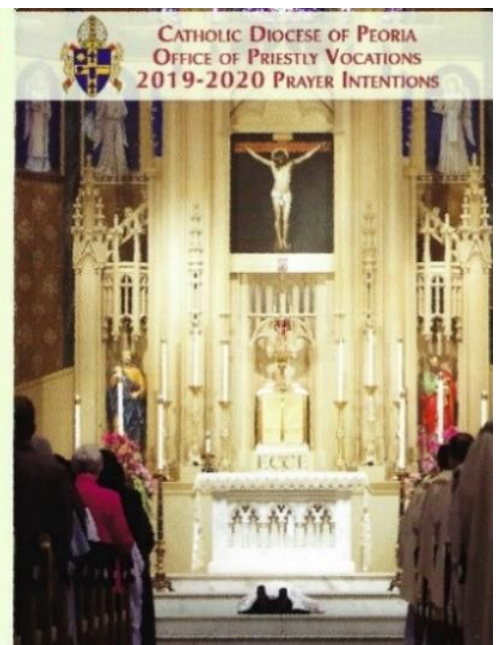

**PRAYER FOR CANONIZATION
OF FATHER MICHAEL J.
MCGIVENEY**

God, Our Father, protector of the poor & defender of the widow & orphan, you called your priest, Father Michael J. McGivney, to be an apostle of Christian family life & to lead the young to the generous service of their neighbor. Through the example of his life & virtue may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of Charity & building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy & the outcast. We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present (here make your request). Through Christ our Lord. Amen

DAILY PRAYER FOR VOCATIONS

O Mary, St. Therese ever turned to you in love, telling you her desires in simplicity and trust, and begging you to speak of them to Jesus. With her, we ask you to offer our prayers to your Son for an increase in vocations to the priesthood and consecrated life in our diocese. Place within the hearts of men and women a love which is strong enough to lead them to devote their lives to the service of the Church. Help them to respond to your Son’s call with a love that will spend itself in service to their brothers and sisters.

**ST. THERESE, PATRONESS OF VOCATIONS,
PRAY FOR US.**
